

Oxstalls Farm records

Timesheet showing how many baskets of strawberries were picked that week by
Mrs Grinnell, Mrs Hutchison, Miss Sandford, Mrs Seville and Mrs Davis.

How many hours they worked for is also recorded - some workers were paid for the length of time they had worked, whilst others were paid for the amount of work they did (such as number of baskets filled).

Date not recorded - timesheet is most likely from the 1930s or 1940s.

The numbers above record amounts of money in pounds, shillings and pence - in the past, these were often shortened to £ (pounds), s (shillings) and d (pence).

42/- = 42 shillings

6/8 = 6 shillings and 8 pence

9- = 9 whole pence

7 $\frac{1}{2}$ = 7 and a half pence

(there were half & quarter penny coins)
